Play Ground	50	27%	17%

Approve Pay over time	#	% of Survey Responders	% of All Residents
Tennis Courts	53	29%	18%
Front Entry Arches	120	65%	41%
Gazebo	56	30%	19%

Average Priority Ranking

Many of our Survey respondents left this area partially or completely blank. While the lack of complete information makes any statistics unreliable it generally shows that respondents think it more important to keep our front entry monuments well maintained than either the tennis courts or picnic gazebo.
